Established upon the unshakable principles of Christian faith, the center is dedicated to serving the underprivileged, offering shelter, holistic care, and spiritual guidance to the marginalized and forgotten members of society.

Pastor Malliga is more than a humanitarian leader — she is a prophetess anointed by God, proclaiming His Word with power and truth. She ministers with a prophetic calling, bringing divine insight and encouragement to the body of Christ. As a healer and vessel of miracles, she has been used mightily by the Holy Spirit to bring restoration, deliverance, and supernatural breakthroughs to many. Her ministry as a powerful preacher has inspired countless lives, drawing people into a deeper relationship with God.

With a heart for the nations, Pastor Malliga has travelled to many countries, preaching the Gospel, equipping believers, and demonstrating the love and power of Jesus Christ across cultures and communities. Her vision for Angel Care Center is deeply rooted in the words of our Lord Jesus Christ: “Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for Me” (Matthew 25:40).

Through her leadership, the Angel Care Center not only provides physical assistance — such as nutritious food, clothing, shelter, and medical care — but also ministers emotional healing and spiritual renewal, restoring dignity and hope to each individual. The center is more than a charity; it is a spiritual family where love knows no boundaries and where acts of kindness are seeds sown into the Kingdom of God.

Through prayer, counselling, prophetic ministry, and community outreach, the Angel Care Center continues to transform lives, one heart at a time, for the glory of God.
